#### DESCRIPTION

### Hynautic HP6039 Ball Joint for Hynautic Cylinders: K-22 K-27 K-28 K-29

After an extended period of time the ball joint on the Hynautic boat steering cylinders can become worn out or even cracked. It can also be used as an add on for K-22 cylinders for both ends to have ball joints which is would make it a K-27.

#### Related Products:
